Education

2021 - *Present*	**Columbia University, Graduate School of Business**	
	Ph.D. in Decision, Risk, and Operations	
2017 - 2019	**University of Chicago**	
	M.A. in Computational Social Science (Economics Concentration)	
2013 - 2017	**George Washington University**	
	B.A. in Computer Science and Political Science (with Honors)	

Research Interests

Econometrics, Nonparametric Inference, Network/Graphical Models

Works in Progress

"A Sieve Approach to Nonparametric Estimation of Exchangeable Networks: Examples from International Trade" (November, 2020)
"Robust Propensity Score Estimation and the Overlap Condition" (October, 2020)

Teaching Experience

<u>University of Chicago</u>

Spring 2019   Teaching Assistant, Econ 21410: Computational Methods in Economics

Research Experience and Professional Employment

2019 - 2021	Research Assistant for Costas Arkolakis, Yale University
2017 - 2019	Part-time Research Assistant for Felix Tintelnot, University of Chicago
2018	Student Researcher, Becker-Friedman Institute, University of Chicago

Research Grants and Awards (Selected)

2021 - 2026	Doctoral Fellowship, Graduate School of Business, Columbia University
2017 - 2019	Social Sciences Scholarship, University of Chicago
2018	Becker-Friedman Open Source Economics Summer Fellowship, University of Chicago

Conferences and Presentations

2019 Econometrics Session at Washington University in St. Louis Economics Graduate Conference ⬈
Title: "Estimating Propensity Scores and Testing Overlap using SVMs"

2019 Yale University Tobin Predoctoral Seminar
Title: "Semiparametric Propensity Score Estimation"

Skills

Programing Languages: R, Python, MATLAB, PHP, Java, C++, SQL, HTML/CSS
Computer Software: QGIS, Git, Mathematica, LaTeX
Languages: English (Native) and Russian (Proficient)
